PUBLIC HEARING

concerning

Revised Waste Discharge Requirements
for

**HOLIDAY FLOTELS INC.
AND U.S. DEPARTMENT OF AGRICULTURE FOREST SERVICE
FOR OPERATION OF
PACKERS BAY MARINA
SHASTA COUNTY**

The U.S. Department of Agriculture Forest Service (Forest Service) administers land within the Shasta Lake Recreation Area for the public. Holiday Flotels Inc. Limited Partnership operates Packers Bay Marina under a special use permit from the Forest Service. Wastewater from houseboats and the Packers Bay Marina is pumped to a holding tank and later trucked to a sewage disposal facility. Prior to 6 September 2006, gray water was permitted to be discharged from houseboats to Shasta Lake; however in 2001, the Regional Water Board adopted Resolution No. 05-01-211 authorizing the Executive Officer to enter into a memorandum of understanding with the Forest Service to eliminate gray water discharges from houseboats. Holiday Flotels Inc. proposes to construct an on-site sewage treatment system to accommodate a portion of the increased waste flow rates resulting from the capture houseboat gray water. Waste Discharge Requirements are being revised to reflect the addition of an on-site sewage treatment and disposal system.

A public hearing concerning this matter will be held during the Regional Board meeting scheduled for:
